

## Science Silpakorn International Summer School 2024

The Faculty of Science at Silpakorn University (SCSU), Thailand, is pleased to offer an exciting summer school program “**Science Silpakorn International Summer School 2024**”. This program provides international students with an opportunity to explore science education and research of SCSU, excursions and cultural exchange for a short-term stay. We provide you traveling budget, airport/bus/train station transfer to SCSU and back, accommodation and most of meals.

### Who Can Apply?

We welcome undergraduate students (Bachelor) who are currently enrolled in universities studying pure/applied science, mathematics, technology, or related fields. To apply, please submit your documents along with a confirmation letter from your home university/faculty.

### Program Details

The program will be held from 8 to 12 June 2024 at the Faculty of Science, Silpakorn University, Sanam Chandra Palace Campus, Nakhon Pathom, Thailand. The tentative schedule is as follows:

Date	Activities
Saturday, 8 June 2024	- Arrival (pick-up) - Campus Tour - Opening Ceremony
Sunday, 9 June 2024	- Let's have fun with solar drying - Aerobic plate count and agar art - Cultural Night (Cultural Costume)
Monday, 10 June 2024	- Utilization of grease from grease trap for clay arts - Excursion
Tuesday, 11 June 2024	- Nature Journaling - Natural Colorants and their Applications - Closing Ceremony and Certificate Reception - Farewell Dinner
Wednesday, 12 June 2024	- Departure (drop-off)

\* Please note that the times and activities are subject to change.

## Benefits

Participants will receive scholarships which cover:

- Traveling budget to Faculty of Science of 3,000 Thai Baht (THB)
- Transfer service from/to airport (DMK and BKK), bus stations (Northern Bus Terminal (Mo Chit, Bangkok) and Nakhon Pathom Local bus station) or train station (Krung Thep Aphiwat Central Terminal station (Bangkok) and Nakhon Pathom railway station)
- Program registration fees (including all activities as described in the schedule)
- Accommodation and most of meals

## Applying Process and Documents

The Faculty of Science is inviting students from universities with whom we have a collaboration or who have received an invitation letter with a specified number of scholarships. The candidate must be selected by their home university and submit the following documents, along with a confirmation letter from their university, through the application link provided. Once we approve the applications, both the student and the university will be notified for confirmation.

To apply for the program, you need to complete an online application form via <https://forms.gle/KMGt5NniaDmUN9Bx6> and submit the following documents:

- Full curriculum vitae (CV) in tabular form (max. 2 pages)
- English proficiency test report (if any)
- A confirmation letter from your Faculty/University to confirm that you are the selected student and are allowed to join this program (Please find attached file: Student confirmation and permission)
- A copy of your passport, (It can be submitted later)
- transcript and other documents

\*\*\* All documents must be in English. If necessary, please translate the documents. Please scan all documents and save them as a single PDF file. The file must not be larger than 10 MB in file size. Please upload it to the application system.
